EDUCATION

Cairo University
2021-2025
BA in Computers Sciences

PROFILE

I am a computer science enthusiast with a foundation in software development, data structures, algorithms, and systems design. Utilizing my 3+ years of academic experience and hands-on projects, I excel in coding, problem-solving, and developing innovative solutions. I am proficient in multiple programming languages and tools, with a keen interest in artificial intelligence, machine learning, and web development. My goal is to leverage my skills and knowledge to contribute to innovative technological advancements and drive innovation while delivering exceptional results and exceeding expectations in every project I undertake.

TECHNICAL SKILLS

- **Programming Languages:** Python, Java, C++, JavaScript, HTML, CSS
- **Concepts:** Data Structures, Algorithms, Object-Oriented Programming, Databases, Networking, Operating Systems
- **Areas of Interest:** Artificial Intelligence, Machine Learning, Software Development, Web Development

PROJECTS

- **Booking travel tickets**
- **Tic tac toe game**
- **Personal Portfolio Website**
- **Quraan player**
- **To Do list**
- **quote-generator**
- **HR**
- **play the game Tetris by AI**
- **MNIST dataset detect the number**
